

You are Cordially Invited to a NCATL Regional Event!

Come spend time with fellow NCATL members in your community and share thoughts regarding how the Academy can better serve your professional needs with members of the NCATL leadership. The NC Academy of Trial Lawyers leadership and staff hope to see you soon!

Purpose:

Meet, talk with, and socialize with some of the Academy leadership and with other Academy members in your community. The Academy would like to get feedback from you regarding how the organization can better serve you. We need your input. NCATL staff or leadership will also provide a very brief update regarding what is new at the Academy. Come enjoy good company and food!

For more information about the Academy's Regional Meetings, contact Liz Avery-Jones at liz@ncatl.org or 919-835-2808.
